

U.S. Patent Application Serial No. 10/686,130  
Reply to Office Action dated February 14, 2006

**REMARKS**

In the subject Action, the Examiner allowed claims 1-6 and rejected claim 7. Applicant has cancelled claim 7 above. Claims 1-6 remain pending in the present application. No new matter has been entered. In light of the foregoing amendments and the following remarks, Applicant respectfully requests withdrawal of the pending rejections and advancement of this application to allowance.

**Rejection Under 35 U.S.C. §112**

First in the subject Action, the Examiner rejected claim 7 under §112, second paragraph, as being indefinite. Applicant respectfully traverses this rejection. However, in order to further examination, claim 7 has been cancelled above. Therefore, this rejection is now moot, and Applicant requests withdrawal of the same.

**Rejection Under 35 U.S.C. §102**

The Examiner next rejected claim 7 as being anticipated by Walden et al. under §102(b). Applicant respectfully traverses this rejection. However, in order to further examination, claim 7 has been cancelled above. Therefore, this rejection is now moot, and Applicant requests withdrawal of the same.
